HOW MUCH MONEY CAN I GET?

Grant maximums for 2025:

- \$15,000 for Revive
- \$20,000 for Launch
 - Launch grant funds cannot be requested for more than 20% of the purchase price of the home
 - For example, if the purchase price is \$60,000, the maximum grant amount that can be requested is \$12,000.

WHAT DO I HAVE TO DO TO QUALIFY?

Households must meet income requirements and own and occupy the home to be assisted. Please see further program requirements on each program's webpage: [FHLBI.com/Launch](https://www.fhlbi.com/launch) / [FHLBI.com/Revive](https://www.fhlbi.com/revive).

IS THIS FEDERAL MONEY?

No, the funds supplied through our grants are not connected to the federal government.

WHAT KIND OF REPAIRS CAN I GET DONE TO MY HOME THROUGH REVIVE?

In general, Revive funds may be used for deferred maintenance repairs/modifications such as replacement of windows, roofs, HVAC, bathroom modifications, ramps, widening of doors, etc. For a complete list of eligible repairs/modifications, please review the program guidelines available at [FHLBI.com/Revive](https://www.fhlbi.com/revive).

CAN I CHOOSE MY OWN CONTRATOR?

Yes. FHLBI requires the household obtain a minimum of 2, independent, third-party comparable bids for each repair/ modification from eligible contractors. Bid/contractor selection is at the household's discretion. Please note, members may have additional contractor requirements.

WHAT IF I HAVE AN ISSUE WITH MY CONTRACTOR?

Disputes surrounding the repairs/modification shall be resolved between the household and contractor(s). FHLBI will not mediate or participate in these discussions.

IS A MANUFACTURED HOME ELIGIBLE FOR LAUNCH OR REVIVE?

If the home is titled as real estate and permanently affixed to a permanent foundation, the property is eligible.

An affidavit of affixture or similar documentation that proves affixture, is required.

ARE LAND CONTACTS ELIGIBLE?

A land contract is not an eligible form of ownership for FHLBI programs. Launch cannot be used to purchase a property that will be utilizing a land contract versus a traditional form of mortgage lending. Revive properties cannot be in a land contract.

DO I HAVE TO PAY THE MONEY BACK?

It depends on which grant you receive:

- Revive: No return of funds is necessary.
- Launch: If a Launch-assisted home is sold or refinanced within the five-year retention period, a portion of the grant funds received may need to be returned. Please contact the member for further information about this process.

HOW OFTEN CAN I RECEIVE GRANT FUNDS?

No household may receive funds more than once every five years. The waiting period is 5 years from the date of closing (Launch) or the date of rehabilitation completion (Revive).

WHAT IF I HAVE A LAUNCH/REVIVE RETENTION AGREEMENT ON MY HOME AND NEED IT REMOVED?

Please contact the member who initially provided you with the grant. The member is responsible for any recording, subordination and/or release of the Real Estate Retention Agreement (retention agreement).

- The first paragraph of the retention agreement would indicate the name of the member institution.
- The bottom of Page 3 of the retention agreement typically includes a contact person's name.

HOW WILL I KNOW IF MONIES HAVE BEEN DISBURSED FOR MY APPLICATION?

Communicate with the FHLBI Member who submitted the request on your behalf. They will be notified once the request has been approved.

WHY IS THE DISBURSEMENT TAKING SO LONG?

Typical reasons for delay:

- The necessary income documentation was not submitted or was incomplete.
- FHLBI has asked for additional information/documentation and there is a delay receiving a response.

I HAVE QUESTIONS, CAN I CONTACT FHLBI DIRECTLY?

No. All questions should be directed to the participating member bank (or 3rd party organization) that you have chosen to work with. FHLBI will not contact a member on your behalf or be able to provide information on the status of your application.
